

Snow White: The Sequel

797

**EASTWEST FILMDISTRIBUTION**2006
80'

An irreverent look at what happened the morning after Snow White married Prince Charming. Did they find marital bliss? Or was the Prince a bounder who would jump into bed with the first girl who came along? Picha's fourth animated movie is definitely not for children or nostalgic adults, but teenagers and young adults will love it.
